

ACKNOWLEDGEMENTS

Thank you to my wife, Ana, for enduring and supporting devastating focus for yet another book. Thank you to my creative partner Phil Thompson for ongoing accountability, and helping me navigate my motivational quirks. Thank you to Garrett Kincaid for editorial direction and to Joel Block for directing the audiobook.

Thank you to my alpha readers for your reactions (and feedback): June Gilbank, Kris Perttula, Jesco Puluji, and Jule Naumann.

ABOUT THE AUTHOR

David Kadavy has been a full-time independent creator for nearly two decades. His books have sold well over 100,000 copies and been translated into a dozen languages. He was design advisor to Timeful, a productivity app whose features were integrated into Google Calendar. He lives in a cabin in the mountains outside of Medellín, Colombia.
